## PANEL DISCUSSIONS/ TEACH-IN'S

---

**Black Women Radicals' School For Black Feminist Politics** October, 2020

Floyd, Z. "Afro-Caribbean Women of Post-Colonialism through the Practice of Art." Guest lecturer, Black Women Radicals' School For Black Feminist Politics

**Digital Caribbean Feminisms Panel Discussion** September 2020

For Caribbean feminists, the incorporation and usage of the internet for space and placemaking has been "multigenerational, multiethnic, transnational, and Pan-Caribbean" (Haynes, 2016).

December 2020

**Collective Resistance's Black Feminists Making Waves: Creating, Reading, and Mapping Our Power to Deepen Our Knowledge**

*Ways of Being Through Experimental Poetry and Collage, ZAZA Uptown workshop.* Students engaged in an active workshop that utilizes poetry, text and image as a form of art while mapping and centering themes of identity, home, memory and healing.
